Michael A. Nestrud

All that you taste... all that you eat.

Research Interests Multivariate statistics, food combinations, graph theory, psychophysics, culinary science, statistical methods for sensory evaluation, measuring emotion, trigeminal irritation

Education

- 2008–2011 **Ph.D.**, *Cornell University*, Ithaca, New York, USA.
Major: Food Science-Sensory Evaluation, Minors: Flavor Chemistry, Psychology, Statistics
- 2006–2008 **B.S.**, *Cornell University*, Ithaca, New York, USA, *magna cum laude*.
Major: Food Science
- 2003–2004 **A.O.S.**, *The Culinary Institute of America*, Hyde Park, New York, USA.
Major: Culinary Arts
- 1999–2001 **n.d.**, *Georgia Institute of Technology*, Atlanta, Georgia, USA.
Classes: Intro to Programming I & II, Compilers, Proofs, Prob. & Statistics, Psych. I & II

Honors and Awards

- 2011-Present Oak Ridge Institute for Science & Education Postdoctoral Research Fellowship
- 2010 IFT Sensory and Consumer Sciences Division Ph.D. Scholarship
- 2010 Cornell University Department of Food Science Frank & Anne Kosikowski Award
- 2009 Rose Marie Pangborn Sensory Science Scholarship
- 2009 IFT Foundation Graduate Scholarship
- 2009 Institute for Perception Student Award
- 2008–2011 State University of New York Ph.D. Fellowship
- 2008 Society of Sensory Professionals Jean Caul Award
- 2007 Cornell Institute of Food Science Advisory Council Award
- 2007 Cornell Institute of Food Science Summer Scholar
- 2007 USDA Higher Education Scholar
- 2007 TIC Gums Achievement Award
- 2007-Present Phi Tau Sigma Food Science Honor Society
- 2003 Culinary Institute of America Presidential Scholarship
- 1998 National Merit Finalist Scholarship
- 1997 Eagle Scout

Academic Experience

- 2011–Present **ORISE Postdoctoral Research Fellow**, *U.S. Army Natick Research, Development & Engineering Center*, Natick, Massachusetts.
Engaged in research with the aim to improve warfighter performance.
- 2008–2011 **Graduate Teaching Assistant**, *Cornell University Department of Food Science*, Ithaca, New York.
Teaching experience included head teaching assistant for Sensory Evaluation of Food for Food Science seniors and head teaching assistant for the global sustainability seminar course for undergraduate and graduate students in the U.S.A., Honduras, Costa Rica, Australia and Switzerland.
- 2004–2005 **Teaching Fellow**, *The Culinary Institute of America*, Hyde Park, New York.
Taught students new culinary techniques while reinforcing old. Developed new course material on historical and modern American cuisine. Developed on-line presence for the class for the first time.
- 1999–2001 **Teaching Assistant**, *Georgia Institute of Technology College of Computing*, Atlanta, Georgia.
Teaching Assistant for Intro to Computing Lab and Introduction to Programming; served on course development and exam team for Introduction to Programming.

Professional Experience

- 2008–Present **Consultant**, Marlborough, Massachusetts.
 - Regularly conduct workshops teaching the R statistics package and multivariate sensory evaluation methods to industry professionals
 - Provide professional consulting services on cutting edge topics (see: Research Interests above) to sensory evaluation and product development laboratories, including Fortune 500 companies.
- Summer 2005 **Product Development Intern**, *The International Food Network*, Ithaca, New York.
 - Project lead developing a healthy margarine product for Fortune 500 client
 - Developed sensory and physical property models to assess feasibility and performance of ingredient blends.
- 2004–2005 **Teaching Fellowship & Sous Chef**, *American Bounty Restaurant*, *The Culinary Institute of America*, Hyde Park, New York.
 - Maintained day-to-day operations of the restaurant and was responsible for profitability.
 - Planned and executed large banquets almost daily.
 - Planned and executed seasonal menu transitions.

Computer skills

Scientific	Excel, JMP, R, SPSS	Operating Systems	UNIX/Linux, Windows
Typography	L ^A T _E X, Word	Applications	Illustrator, Powerpoint
Languages	Bourne Shell, Java, HTML		

Professional Service

Journal Reviewer

- 2011 Food Quality and Preference (1), Journal of Food Science, Journal of Culinary Science & Technology (2)
- 2010 Journal of Food Science, Journal of Sensory Studies (2)
- 2009 Journal of Food Science (2)

Session Organizer

- 2010 Society of Sensory Professionals: Student seminar on sensory principles of olive oil with chef guided tasting.

Professional Organizations

- 2011–present Sigma Xi
- 2011–present Society of Sensory Professionals: Scientific Committee Co-Chair
- 2010–2011 Society of Sensory Professionals: Executive committee, student member
- 2010–2011 Institute of Food Technologists, Sensory and Consumer Sciences Division: Executive committee, student member
- 2009–2011 Institute of Food Technologists, Sensory Science Annual Meeting Scientific Program Advisory Panel

Other Service

- 2011–present Culinary Institute of America Research Advisory Council Member

Publications

Journal Publications
